There is delay of 195 days' in filing the appeal.

This is an appeal against judgment dated 27.3.2004 passed by Additional District Judge, Jalandhar whereby an appeal filed by the respondent PSEB was accepted to the extent that 12 % interest awarded by the trial Court was to be reduced to 6 % per annum from the date amount became due to the plaintiff till realisation.

Counsel for the appellant argues that the amount due is of the year 1983 onwards and the interest awarded @ 6 % per annum is on the lower side and that in fact there should been penal interest.

In this case, only dispute is regarding rate of interest. No law point is involved. As such, delay in filing the appeal is not condoned.

No merit. Dismissed.
